David,

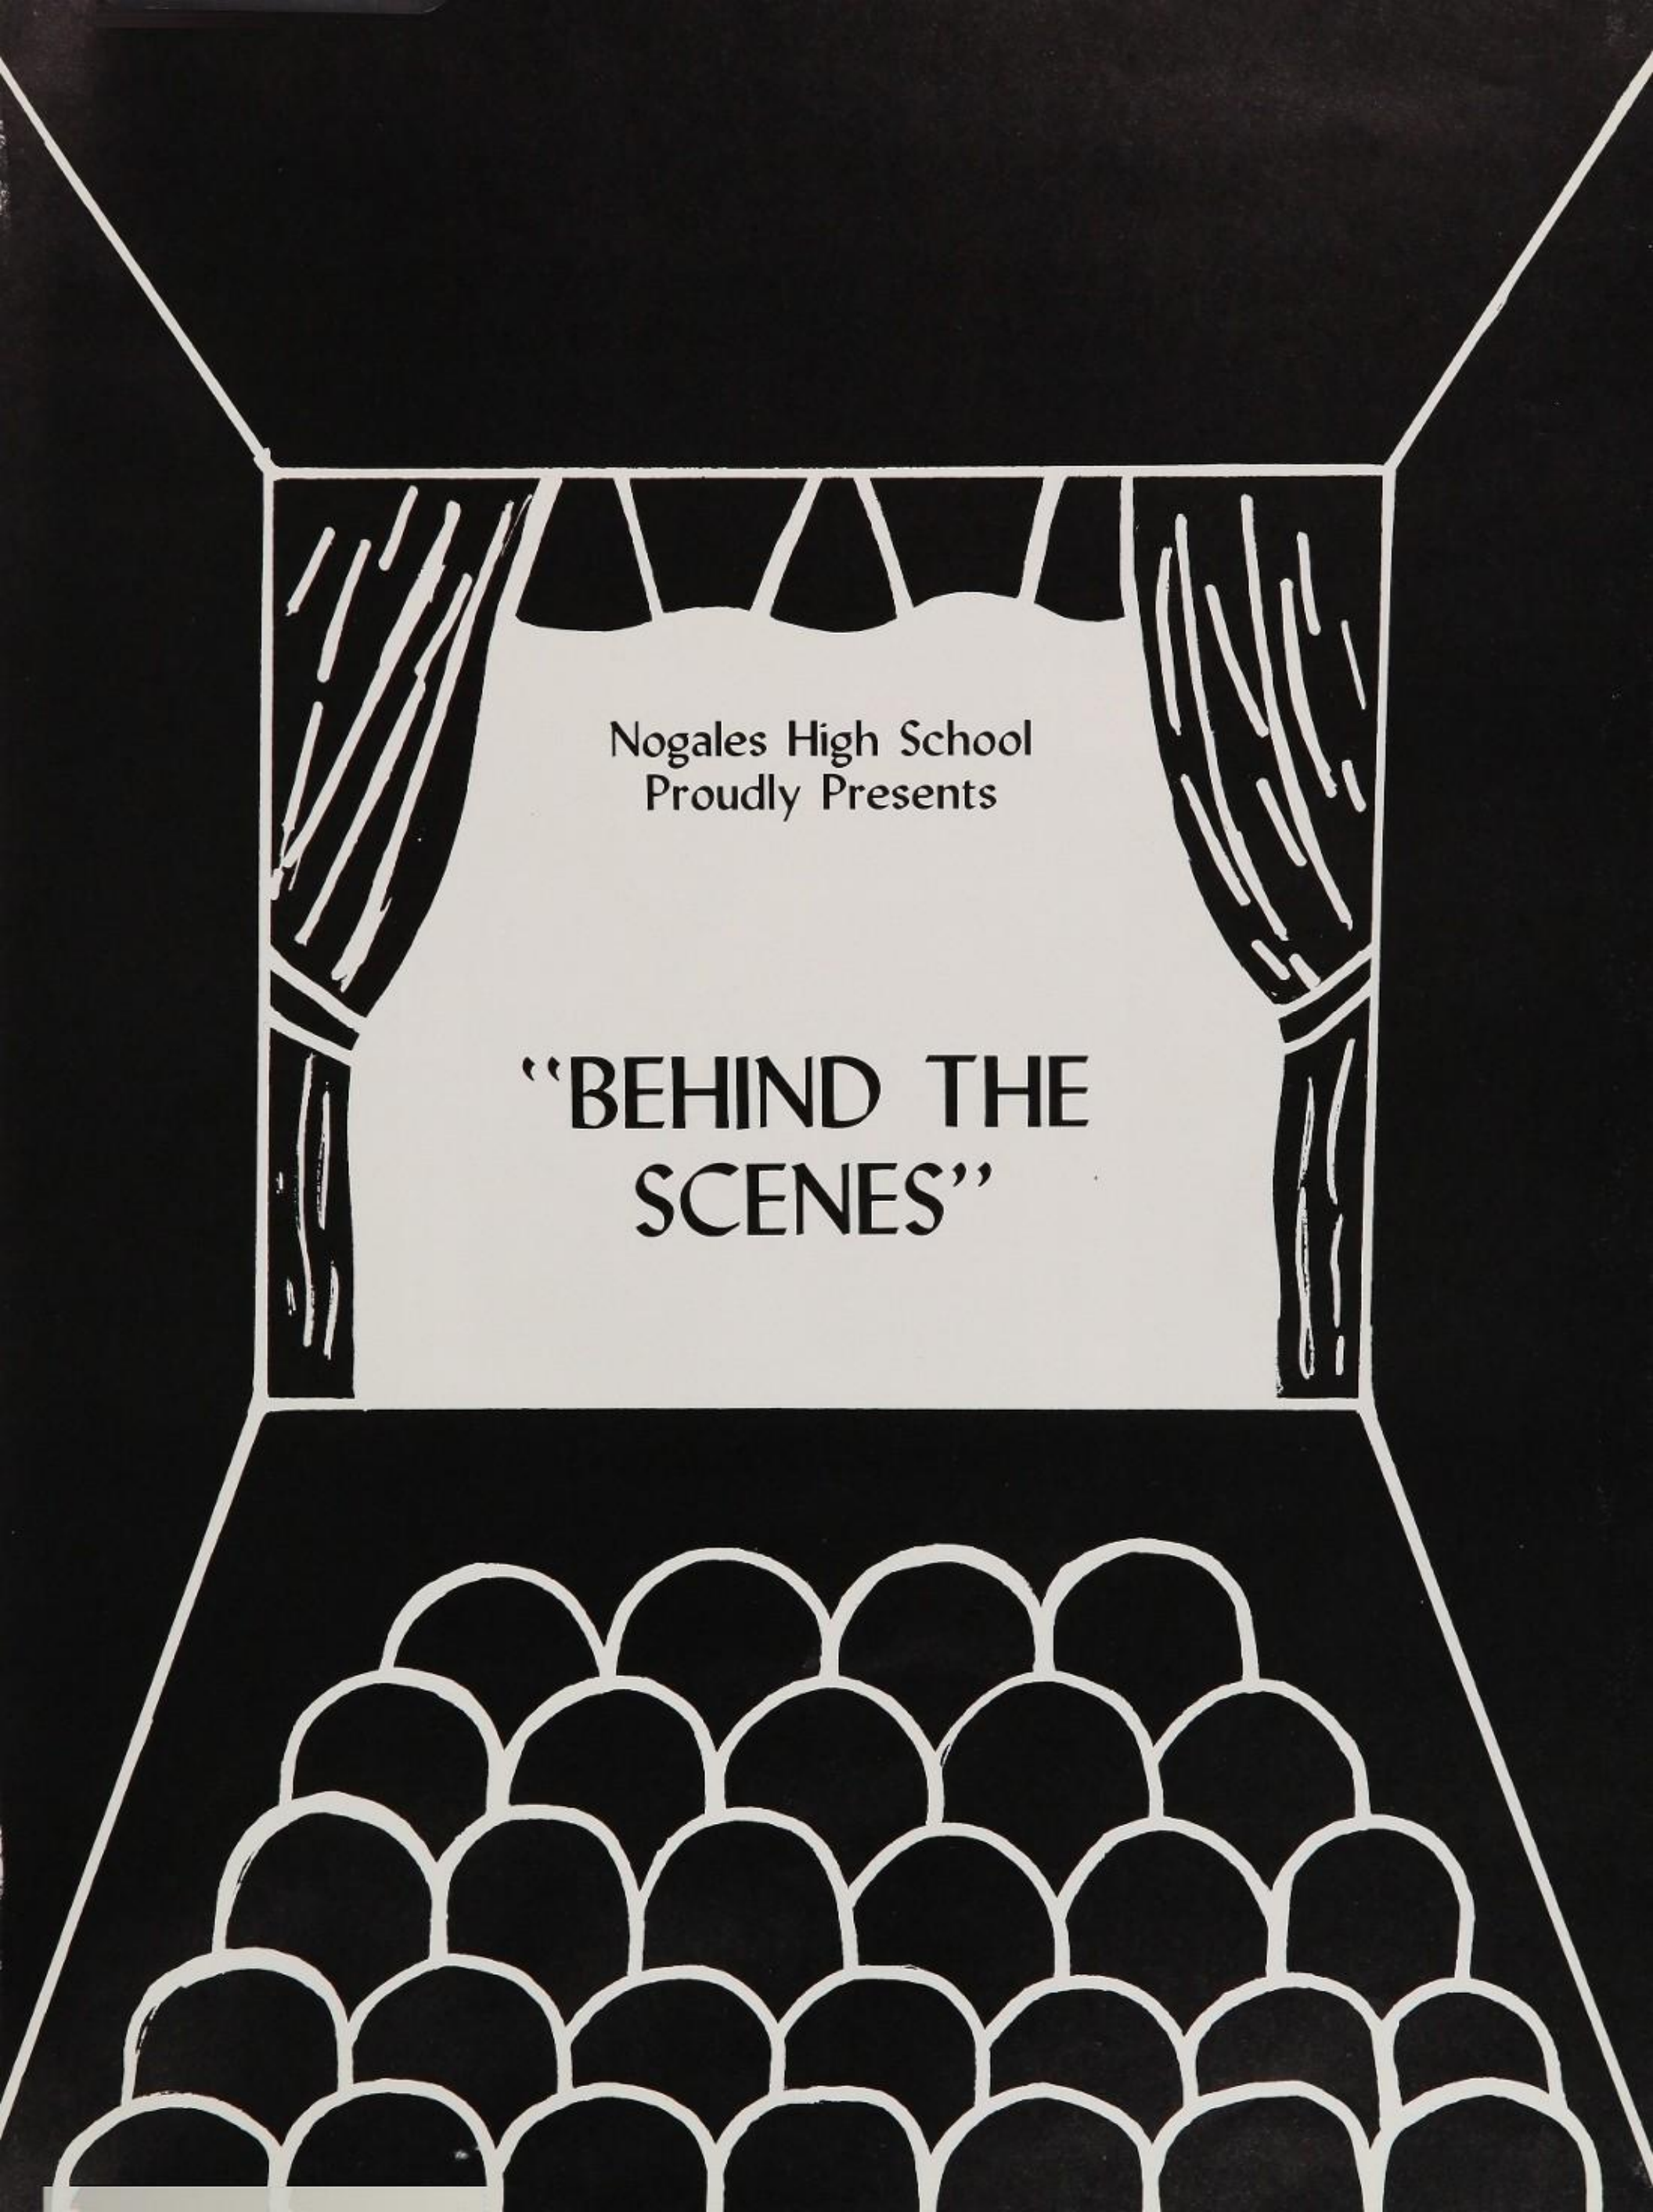

I have a good time
immitating the way you
walk but even though I've
making fun of you sometimes,
you've been cool and getting
along with it. I wish you
luck in your studies.

GOOD TIME

C.I.F. 1981

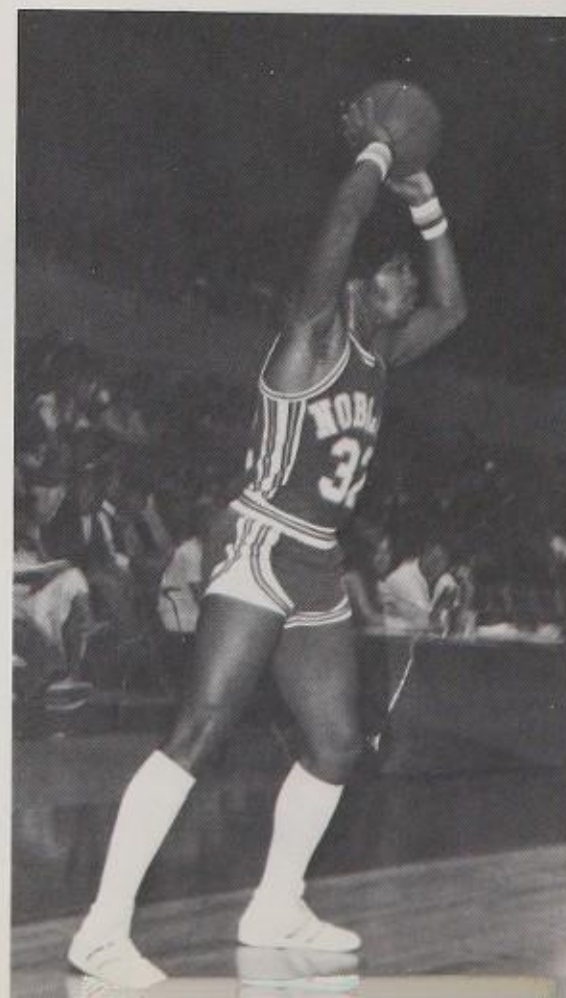

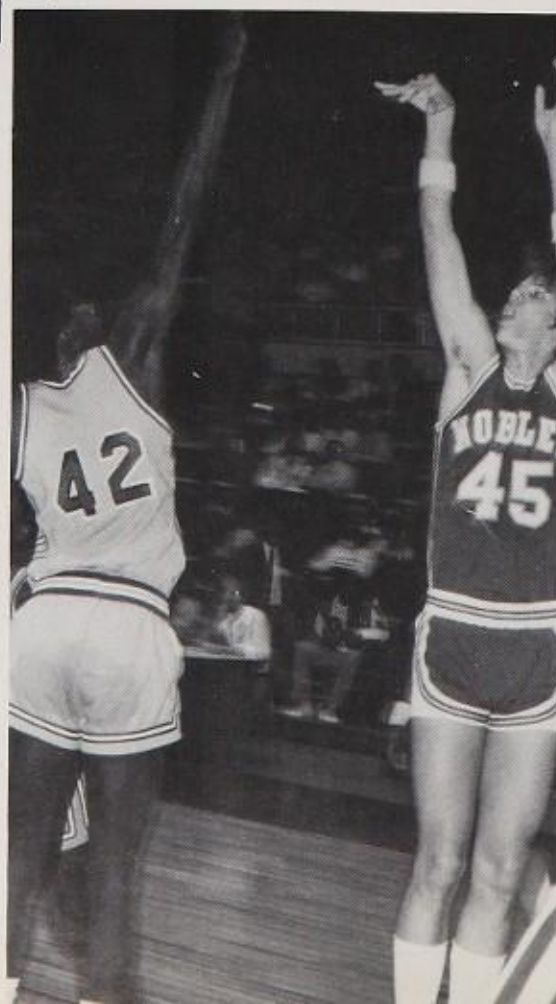

After a once in a lifetime perfect 26-0 season, the Nogales Nobles entered the C.I.F. play-offs as the number two seeded team in the tournament of 36. The season already was a testimonial of excellence with three tournament championships and a second consecutive Valle Vista League championship to our credit. The first round game found the Nobles turning up for a much tougher road ahead by thrashing Arroyo High 86-52 before a sold out frenzied home crowd. The Nobles sixth man, the fans, had followed and supported the team in their own championship fashion.

Everybody got into the act against Arroyo. Pete Williams scored 26 points had 12 rebounds and 6 assists. While Cecil Fielder had 21 points and 10 assists. Randy Downs, 12 points, 4 blocked shots and Jeff Randel El, 11 points, 11 rebounds. It was then to the second round and San Clemente. The game was played at Dana Hills High School and the Nobles took one more step up the ladder. Final score 65-64, with all the thrills of past season play, this was a white knuckler. Paul Togneri hit a 1 and 1 free throw situation and Pete Williams stole the key pass to win this one. In the Playoffs each game is the final, for if you lose you put the ball away until next year. The team was very determined to get to the Sports Arena and this goal was to be realized if they could defeat Barstow in the quarterfinals. This game was played at Los Altos High and the drama of the preceding thrills carried over into this game. The twenty-ninth victory of the season was nailed down 70-64. Everyone starred in the victory.

The Sports Arena, the dream of dreams realized for a high school basketball team. The court John Wooden coached on against U.S.C., the many great players over the years that had played there Walton, Withes, Marques Johnson. This was our World Series, our Academy Awards night, with all the fervor of an opening night of some classic play. The game, Semi-finals verse Blair High School was a spectacular delight. Nogales appeared far superior three out of four quarters but the second quarter the Vikings put on a scoring blitz and that was the story. Down by 19 points with 12 minutes to play, Nobles put on a display of great comeback basketball. One that defies a writer's script for a usual fictional thriller which always finds the Hero in the Victor's Circle. But there were to be no bells of victory this night. The final 9 seconds were a stop action frame by frame climax of shattering reality. Down by 68-66 Cecil Fielder had a shot hit the back of the rim to hear the buzzer silence and dissolve the dream before all eyes. The Eulogy is one not of losing but the Victory of a School. The establishment of an identity. The 1980-81 Noble Basketball Team was a symbol of courage, character, and class. Wherever the Nobles went excitement and first class basketball followed. An array of high flying slam dunks, a defense which shut the hoop of opponents off at 48.5 per game, a fast break which was a poem of rhythm with ballet choreography in the scoring phase. So a salute to a 29 and 1 team that will long be remembered as one of the all-time if not all-time San Gabriel Valley Teams.

To be a star, you must look like one. This years most popular fashions and fads showed off our actors and actresses. Starting off with the famous Brittania, Jorache, and Sasson look in pants. Following with the ever popular cowboy hats. These were just a few of the popular garments worn — among others included: Gloria Vanderbilt, Sergio Valente, Bonjour, and the unforgettable Levis. Punk Rock made a tremendous hit this year with Devo, B-52's and punk rock glasses. Fads keep on developing here on location "Behind the Scenes" with our stars.

ASSOCIATED STUDENT BODY

The Nogales High School Associated Student Body Cabinet

The Nogales A.S.B. Cabinet was very proud to represent and organize the many student activities for the mighty Nobles of Nogales. The A.S.B. Cabinet had a very exciting school year, but they couldn't have done it without the help, cooperation, and spirit of the student body of Nogales.

This year's Cabinet had 42 members with Advisor, Jim Sieger and A.S.B. President Manuel Gonzalez. The other three executive officers are Jaime Martin: Vice-President, Lisa Jackson: Secretary and, Mary Hong: Treasurer. There are ten different offices in the A.S.B. Cabinet each with its secretary and assistant secretaries. The ten offices are Alumni, Fundraisers, Intramural Activities, WIN Program, Assemblies Dances, Publicity, Athletics, Elections, and Clubs.

In the summer of 1980, 25 A.S.B. Cabinet members attended the Valle Vista League Summer Leadership Conference and ten members attended the California Association of Student Councils Summer Leadership Conference. In the Fall of 1980 the entire A.S.B. Cabinet attended both the Valle Vista League Fall Leadership Conference and the CASC Region 15 Leadership Conference with nationally-known speaker, "Mr. Phil."

The A.S.B. Cabinet was very proud to organize the many student activities here on the Nogales Campus including Homecoming, Spirit Week, the Winter Ball, United Nobles Week, the many noontime activities and assemblies and of course, the fantastic presentation by Mr. Phil. The A.S.B. Cabinet was also very proud to serve you and represent you in various school activities and planning. The 1980-81 A.S.B. Cabinet encourages those returning next year to get involved and make something exciting happen here at the home of the mighty Nobles!

The 1980-81 Nogales Modern Dancers had an excellent year. The multi-talented dance students developed distinctive choreographed routines. The variety of music was appreciated by both faculty and students. Outstanding performances were observed during the Christmas Assembly and the Spring Dance Concert. We are proud of our progress and will continue to "Keep on Dancin."

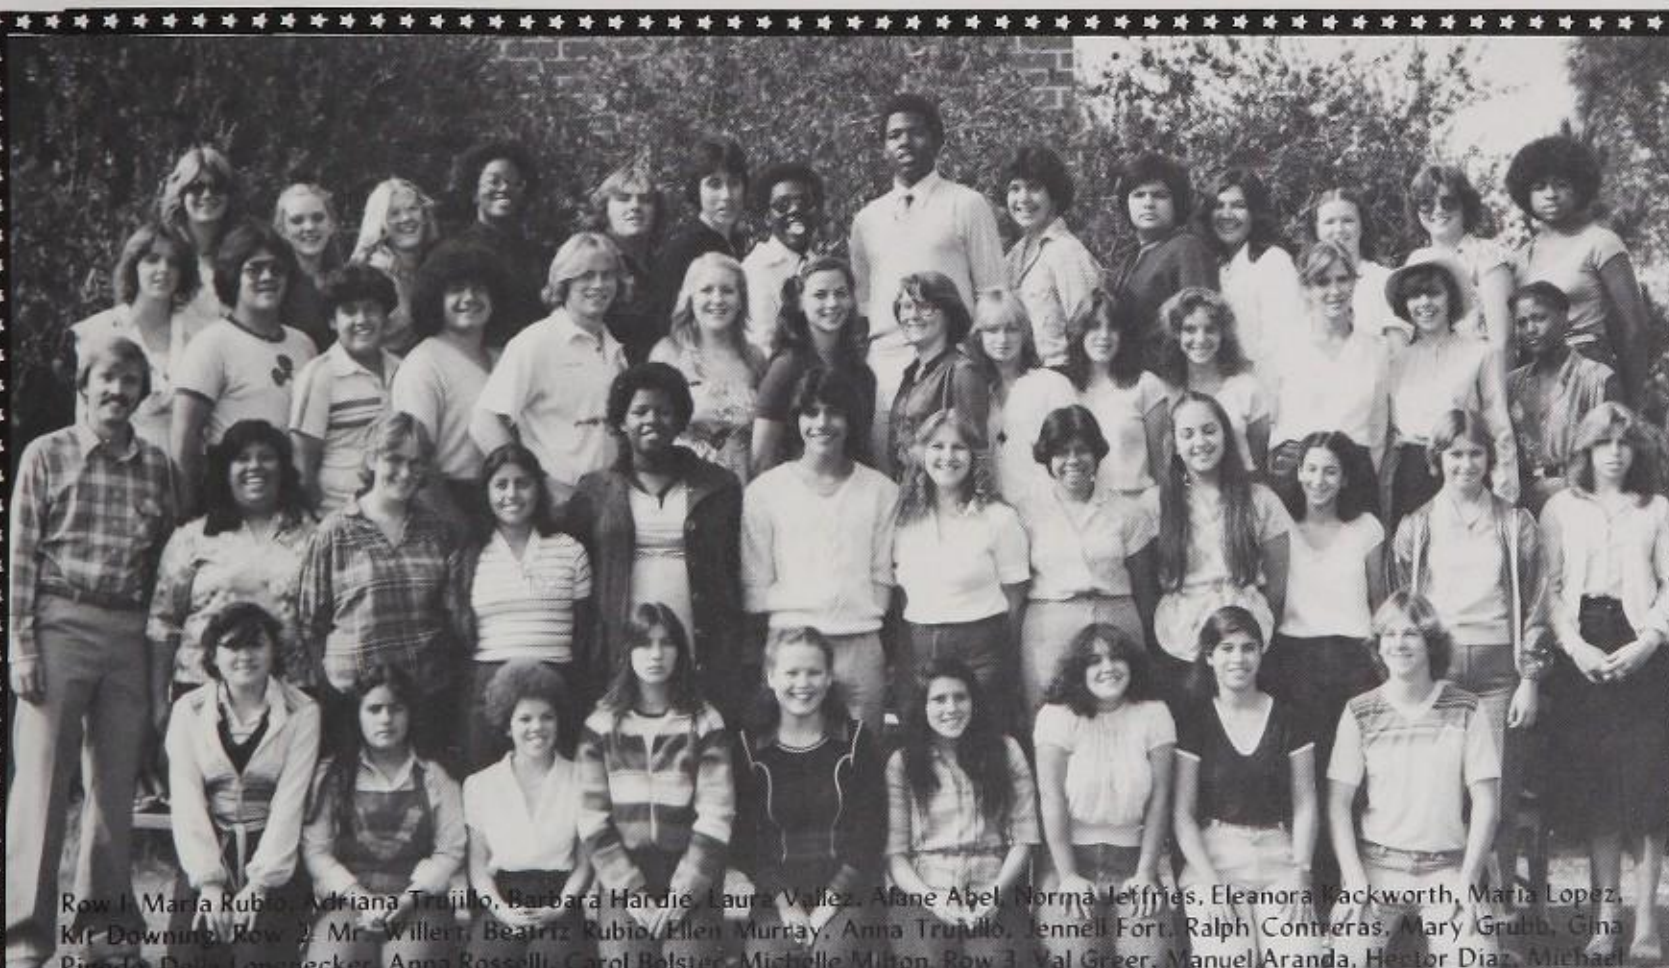

In addition, a special group of six dancers organized themselves into the Nogales Dance Team. These dancers represented Nogales in outside competition. They are a dynamic team with the intelligence and imagination to attract an audiences respected attention. Congratulations Dancers on an excellent first year.

NOGALES NOBLETTES

Lady's Temporal

The 1980-81 Noblette Drill Team experienced a year of growth and success. The squad's growth was obvious, expanding from a total of 16 girls in 1979-80 to our present group of 35. The squad performed under the direction of their advisor, Miss Bruich. All the girls on the squad would like to express their deepest appreciation to Miss Bruich for her dedication to the Nogales Drill Team. Led by the enthusiastic Lady Marchioness, Shellise McKinney and her First Lady Gwen Henry, the noblettes greeted each morning with 7:15 AM practices.

Pizza parties, Birthday parties, "secret sisters" and after school practice helped established a closeness among the members.

Some highlights of the year included:

- 1st place at Simi Valley Halftime Competition
- 2nd place at Arroyo Drill Team Competition
- 2nd place at Chino Halftime Competition
- 3rd place at Chaffey Halftime Competition and Band Review
- 3rd place at Camp Competition
- 4th place at Calif. Band Review

Other happy memories of Drill Team 1980-81 were: Football halftime shows, (especially the CIF game against La Serna), Camarillo Christmas Parade, the outstanding Open House performance, and performing the competition show at Giano Jr. High. With many returning members in 1981-82, the Noblettes look forward to another successful year.

The Nogales H.S. Marching Nobles Band and Tall Flags

The Nogales H.S. Marching Nobles has had one of its most successful years this year. The 1980-81 Marching Nobles began practicing for this school year in August of 1980. The Marching Band is under the direction of Mr. David Stowell and this year the band has a co-op teacher, Mrs. Cathi Wilson. The band is lead by Drum Major Manuel Gonzalez and Assistant Drum Majors Mike Martinez and Mike Collins. The auxiliary unit captain is Connie Duplesis with Maria Fausto assisting in flags and Debbie Turley leading the rifle team.

Besides performing half-time shows at football games and giving other school performances the band goes to three different types of competition. In the fall there are two. The first is the field show competition where the bands, tall flag teams, and drill teams from different high schools are judged for their performances at half-time shows. The second is the band review (parade) competition where again all of the marching units from different high schools are judged on music and marching in parade marching style. The last type of band "competition" is really not a competition. It is the music festival rating. Here, only the band performs. The band gives a concert-type performance and it is judged on music and is given a rating. In addition, the tall flag team and the drill team have separate competitions. The tall flag teams are usually in late winter and drill teams are year-round. There are also individual drum major competitions.

This year was the first year the Marching Nobles completed in field show competitions. The first competition the Nobles had this year was the Simi Valley Field Show Tournament. In their division the band placed first, the tall flags placed at the Chino Field Show Tournament. At the Rancho Cucamonga Band Review, the band placed third, Majorette Kelly Gardner, and Drum Major Manuel Gonzalez placed second. At the California Band Review in Santa Ana, the band placed fourth, drill team placed fourth, the percussion section placed sixth, and Drum Major Mike Collins placed sixth. The Marching Nobles also competed at the prestigious All-Western Band Review in Long Beach.

There is no league competition or championship for marching bands but competition after competition the Nogales Marching Band scored higher than other high schools in our league. You can be assured, that if there was a Valle Vista League Band Championship, your Nogales High School Marching Nobles would get it for 1980-81!

KING'S PLAYERS END ANOTHER NOBLE SEASON

The Varsity Football team looked very promising in the season openers with a shutout against Glendora 20-0 and a victory over Alta Loma 19-6. Being stopped short of their potential, they lost 0-14 to Garey High (later the game was forfeited to us) and a loss to Los Altos 20-38 despite a rally to come back in the fourth quarter.

The highlight of the season came the following week in a close 20-21 loss to Covina. The coaching staffs decision to go for the two point win decided the outcome in the final seconds of the game.

Opp.	N	Opp.
Glendora	20	0
Alta Loma	19	6
Garey	0	14 (Forfeit)
Los Altos	20	38
Covina	20	21
South Hills	7	10
La Puente	23	0
Workman	21	0
Northview	14	6 (Forfeit)
C.I.F.- La Serna	7	16

South Hills slipped by the Nobles in a 7-10 defeat. In the closing weeks of play the Nobles crushed their opponents with two shutouts, La Puente 23-0 and Workman 21-0. With their spirits high they went into their last regular season game, a little too much confident ending up in a loss to more physical Northview team 14-6 (another forfeit allowing the Nobles to go into C.I.F.). The Nobles were defeated in the first round of C.I.F. to La Serna High 7-16 ending a very exciting season.

TENNIS: GETTING INTO THE SWING OF THINGS

The tennis team had a good season even though the team consisted only of first and second year members. The season record was 13-7 and league was 6-4. Pauline Arcilla and Helen Esparza represented the Valle Vista League as a doubles team at the C.I.F. Finals in Palms Springs. Unfortunately they only made it to the second round of play. The most valuable players were the first doubles team of Marie Paulson and Stacey Vigie, their overall league record 21-9. Most inspirational was third singles player, Carmella Marquez. Most improved went to Joselyne Orlanes and Marilou Reinoso.

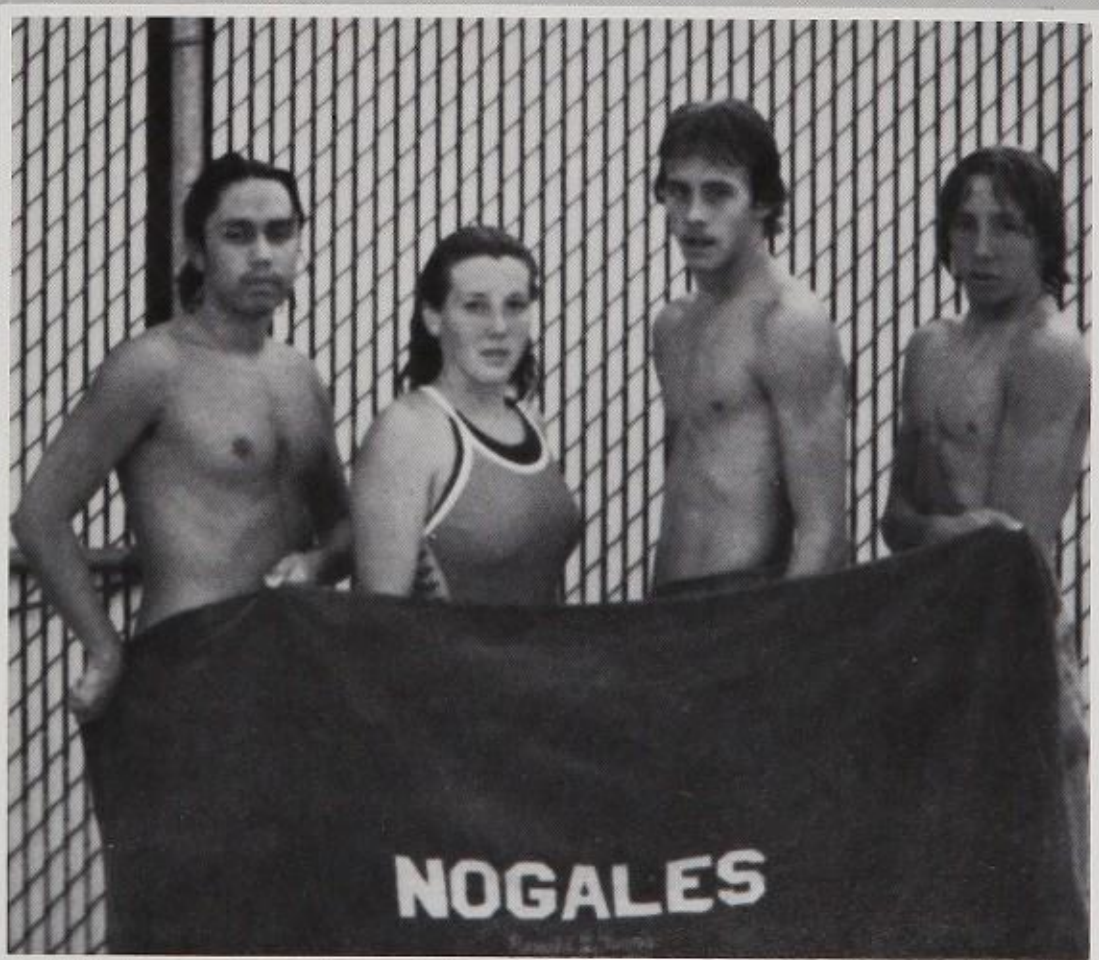

The Varsity Water Polo team had a very unsuccessful season this year. With so many problems with the pool, they had very little time to practice, which hurt their chances for C.I.F. play. The Outstanding players were; Most Valuable Player Ron Norris, Most Inspirational John Steel, Most Improved Evie Green. All returning varsity players. With more dedication and improvement, Coach Goulertz is looking for a good season next year.

CONTINUING WITH THE SPLASH

This year the J.V. Water Polo team has had a very successful year. With a 3-2 record in league and a 7-3 record over all. The most outstanding player was Pete Lopez, scoring 32 goals in the season. With some J.V. moving up to the Varsity level next year, they will help liven up the Varsity team. Good job done!

The Junior Varsity Volleyball Team won the league with an 8-2 record. Their overall record for the season was 13-3. The girls team did an outstanding job. Their competitiveness and teamwork made them a credit to Nogales. This years Most Valuable Player was Susan Deguzman. The Most Inspirational Player was Sonia Flores, and the Most Improved Player was Eleanor Henderson. Congratulations on a fine season.

VOLLEYBALL SERVES A WINNING SEASON

For the first time in Nogales Volleyball history, the Varsity team had enough tall spikers to run a six-two offense. Five of the seven spikers were new to the team and spikers. The team was held together by the co-captains-setters Rochelle Battle and Patty Castro.

The Volleyball banquet was held on December 2 at Farrells. Rochelle Battle received Hall of Fame, 2nd all League Team and MVP, Inspirational award Patty Castro received Hall of Fame, 2nd all League Team and Most Dedicated. Connie Hernandez received MVP first year. Crystal Jackson received Most Improved. Noble of the Week winners were Menime Aumoe, Rochelle Battle, Patty Castro, Ophelia Chavez, Vita Evens, Connie Hernandez, Lisa Ortiz. Special Recognition was given to our J.V. League Champs.

BIG MAC SETS THE PACE TO A SUCCESSFUL YEAR!

"Pre-Season It's 16-0 And On We Go"

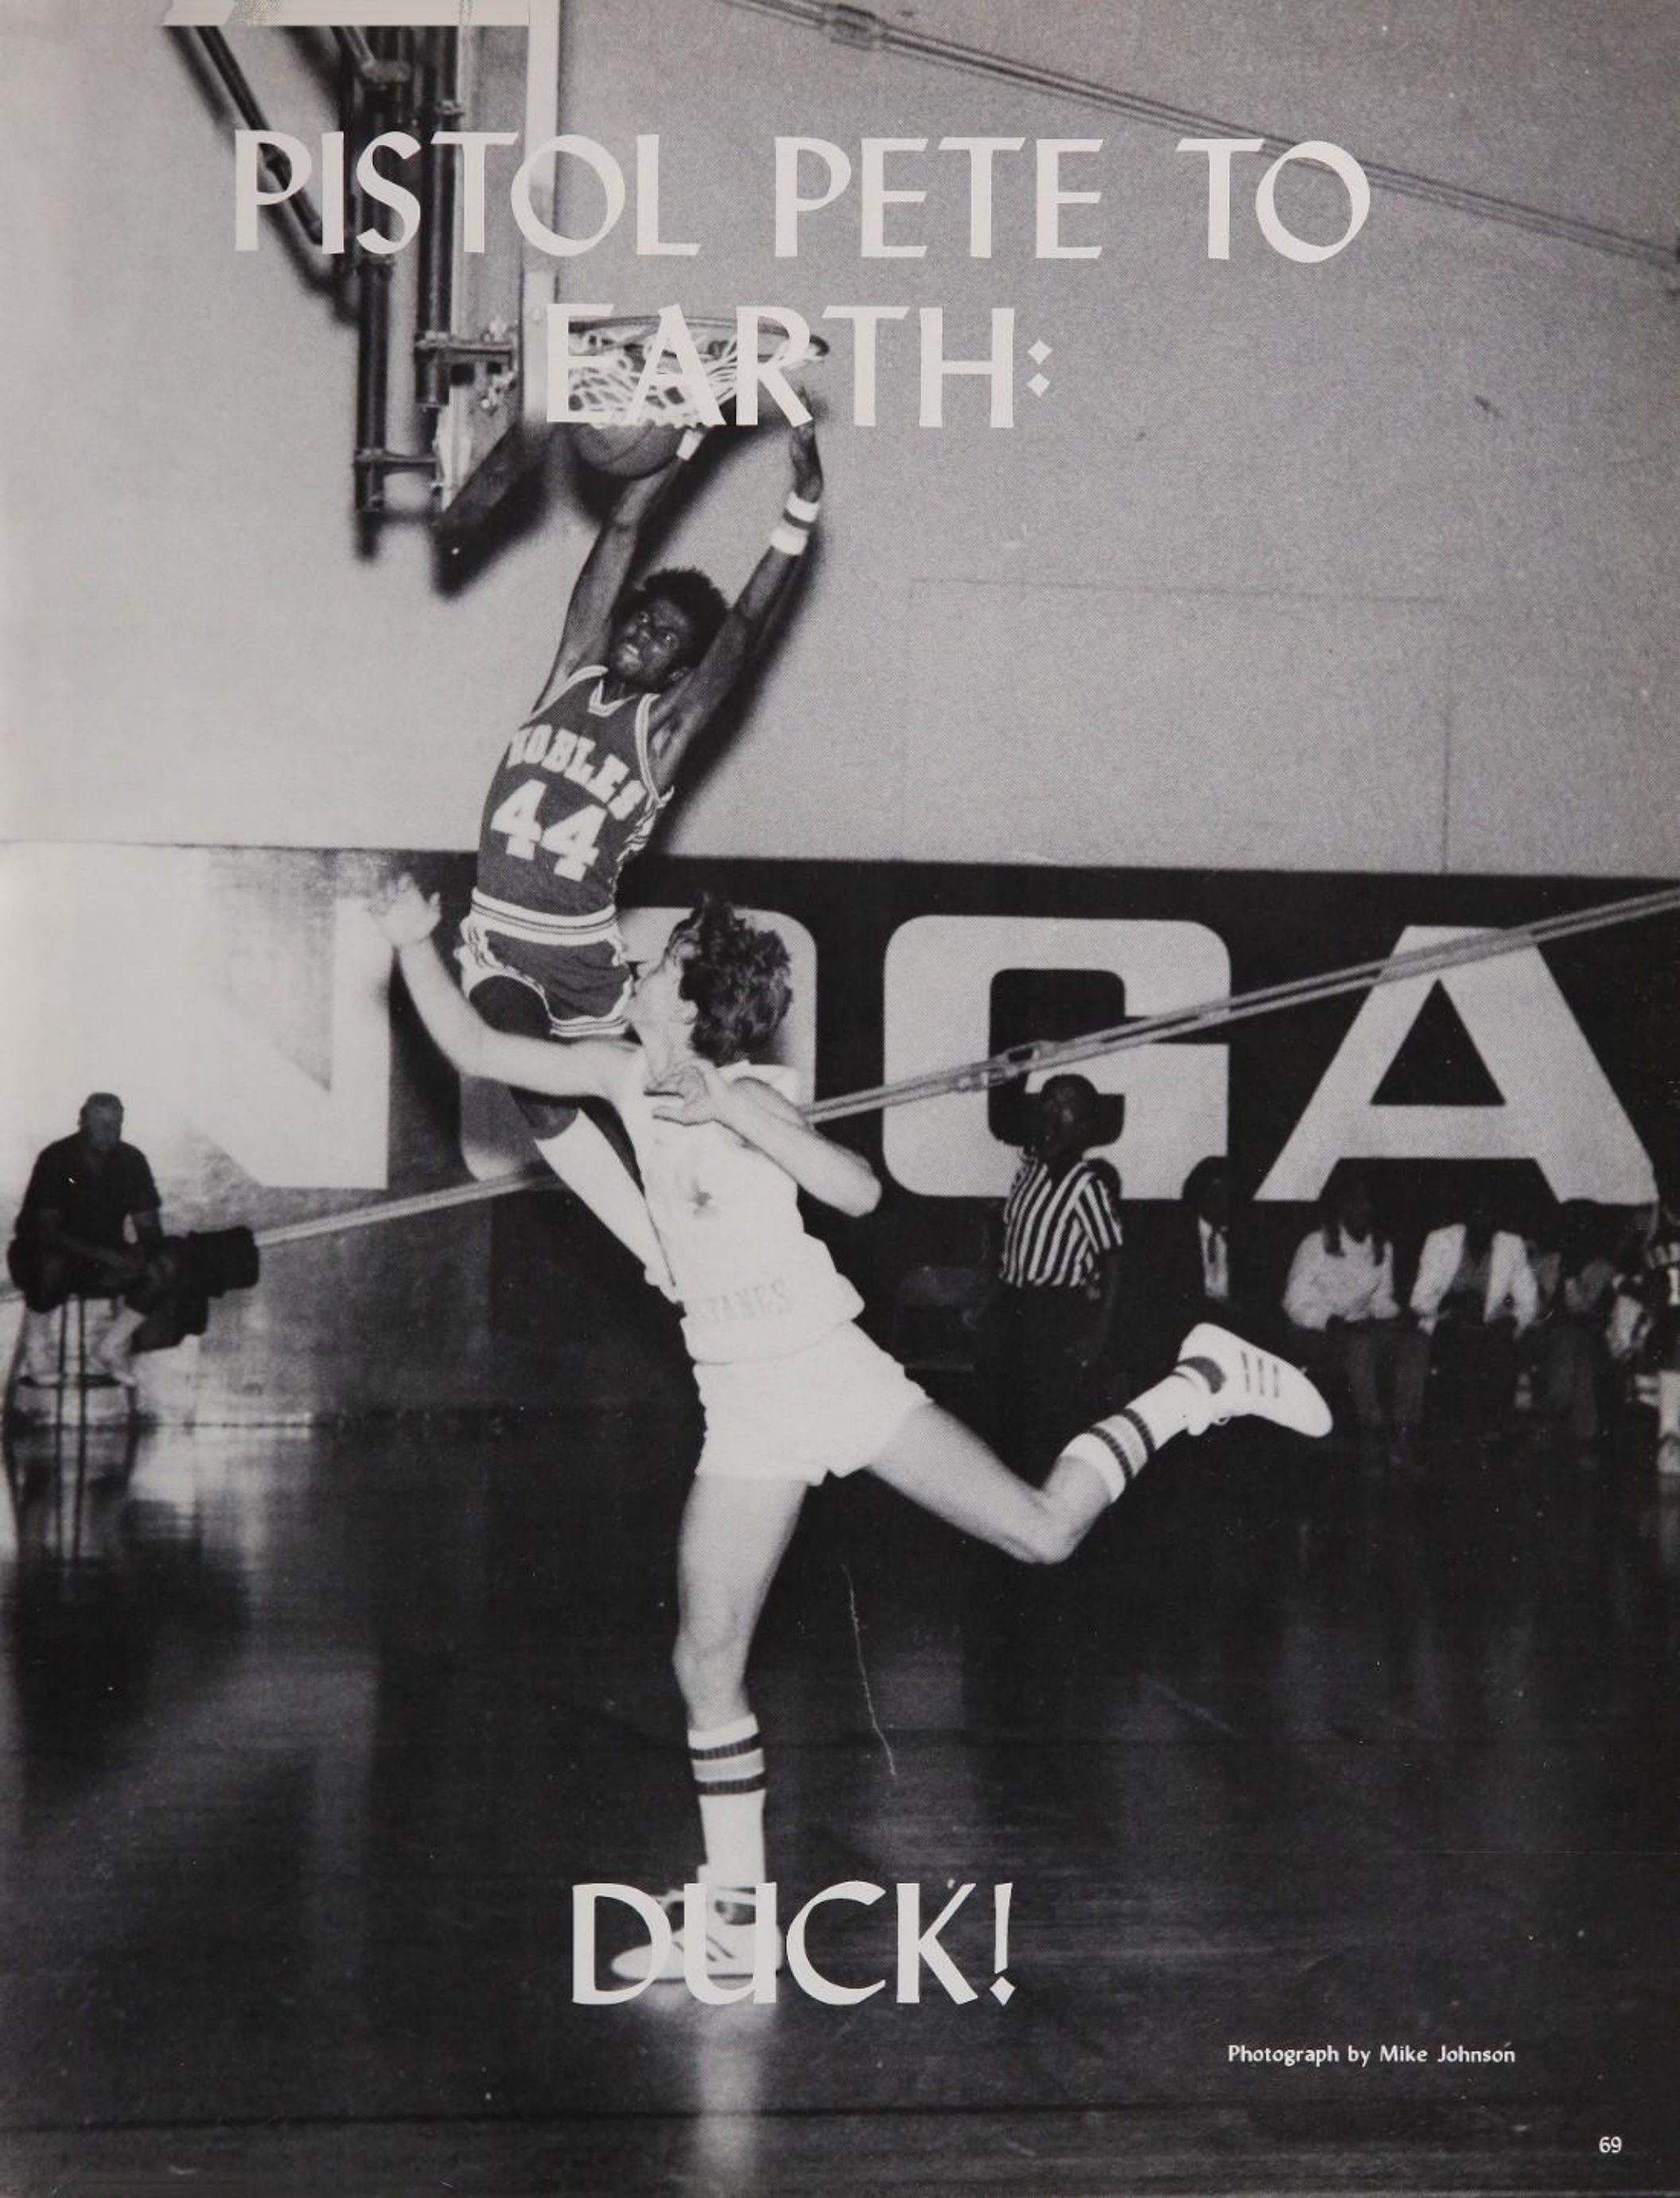

Following last years varsity team record of twenty four wins and five losses probably would seem to most an unnerving task, but this years cagers took the pressure in stride and did what no other team in the history of Nogales has done, "An undefeated pre-season". With five returning lettermen, Randy Downs, Cecil Fielder, Jeff Randle El, Tony Watson, and Pete Williams, and six newcomers, to the varsity team, Bill Martin, Paul Tognari, Jim Macris, Brett Powell, Joe Hernandez, and Keith Forte. The Nobles captured the championship in three prestigious tournaments. Using team concept, hustle and a tenacious defence, the Nobles couldn't be stopped. The first tournament championship came at the twenty first annual Montclair-Upland Tourney. The victims that fell to the Nobles were Fontana, Riverside Poly, Redlands, and Northview. Fielder, Downs and Williams were honored to the All-Tournament team. The next conquest was our neighbor to the East, Walnut High, an 82 point offensive output sent the Mustangs home stunned.

The third annual Ontario-Don Lugo Tourny proved to be an easy task for the Nobles with closest point spread of 13. The teams of Upland, Arlington, South Pasadena, and Cabullo looked on as another championship trophy came to Nobleland. Again Fielder and Downs were named to the All-Tournament team and Williams was named M.V.P. of the tournament. Next, the Nobles breezed through their own 17th annual Nogales Christmas Tournament beating Baldwin Park, Royal Oak, El Monte, and Edgewood with the closest win by 21 points. Randel El, Fielder, and Downs made the all tourney team with Pete Williams again the M.V.P. of the Tournament. Their final wins of the preseason were Santa Fe, Azusa, and Edgewood.

This year was a rebuilding year for the badminton team. The boy's team had no returning Varsity player, Jake Gutierrez, who helped in getting the other members ready for league play. We have a lot of young talent and are looking forward to next year. The girl's team did an outstanding job. Led by returning seniors: Stacy Vigie, Maria Paulson, Helen Esparza, and Ophelia Chavez, the girls held onto the majority of the points. Returning next year as a senior is Susan DeGuzman who as a Junior has lost only one match in three years.

What has 22 eyes, legs, and arms; ten heads and is able to leap tall nets in a single bound. No, it's not superman, but instead the Nogales Varsity Tennis Team.

Nogales has been for the past 6 or 7 years one of the most consistently competitive teams in the area. Except for last year, which was our worst season ever, we've always finished in the top three spots. The Noble squad going to C.I.F. was becoming widely accepted. A tradition you might say.

The success of the tennis program could be attributed to one man. That man is Ramaldo Rubi. Ever since he took over as head varsity coach, the tennis program has been on an up-swing. His coaching method is based on dedication and a good, honest effort. He believes that hard work and dedication shows for itself. With this in mind that brings us to this year.

This year's varsity patoon consist of singles players Roger Hayek, Justin Williams, Edwin Will, Ed Lee, and Agileo Ylanan; and doubles players Hal Marcus, Mike Villa, Ray Fairchild, Scott Legg, Rudy DeCampo, and Ed Natividad. A very competitive team. A team that never says die, but only fight. This attitude has reflected in post-season play where the racketeers finished with a 6-1 record.

Season play began March 25 against an expected tough Northview team. The Nogales team will have to use its fighting spirit to beat the Covina and La Puente teams to come in first in league. If all goes well however, the Noble Racquetmen will be going to C.I.F.

This year the swim team had a great feat to overcome: no swimming pool. With the pool complete drained and being worked on the Nogales swim team had to travel to Rowland to use their pool for practice and all home games. The team did their best under these circumstances and are looking forward to next year and their own facilities.

"BEHIND THE SCENES" WITH THE STARS OF THE SHOW

"Behind The Scenes" was an appropriate theme chosen for this years charter. The theme was a challenge that the staff undertook and ment successfully. The production and responsibilities of meeting deadlines was the hardest. The result of their hard work produced a different yearbook that has ever hit the campus of Nogales.

FOREIGN EXCHANGE STUDENTS

My home country, West-Germany, is about the size of Oregon. The climate is quite a bit cooler than in Southern California. The temperatures range in the summer from about 68.0 to 93.0 degrees F and in the winter (December-February) from about 44.0-15.00 degrees F. Especially in the state I live in, Bavaria, it snows a lot, since it is very close to the Alps.

The age when you become fully adult is 18, which is at the same time the drivers age. But the age is not the only problem, it is more, the \$750.-U.S. that you have to pay for the license. Also the costs of living and gasoline are almost twice as high as here. As a result the average families only have two children and less cars on the road. People use less checking-accounts and hardly any credit cards - they rather pay cash. Instead of shopping malls you would see numerous department stores, specialized stores and "boutiques". You wouldn't find any surfing of any kind because the only beaches we have are in the very North and are too cold.

I should mention that our school system is quite different from here. We start "kindergarten" when we are 3 years old, "pre-school" at the age of 5 and elementary school at the age of 6. After the four years of elementary school you choose between the following of 3 types of school:

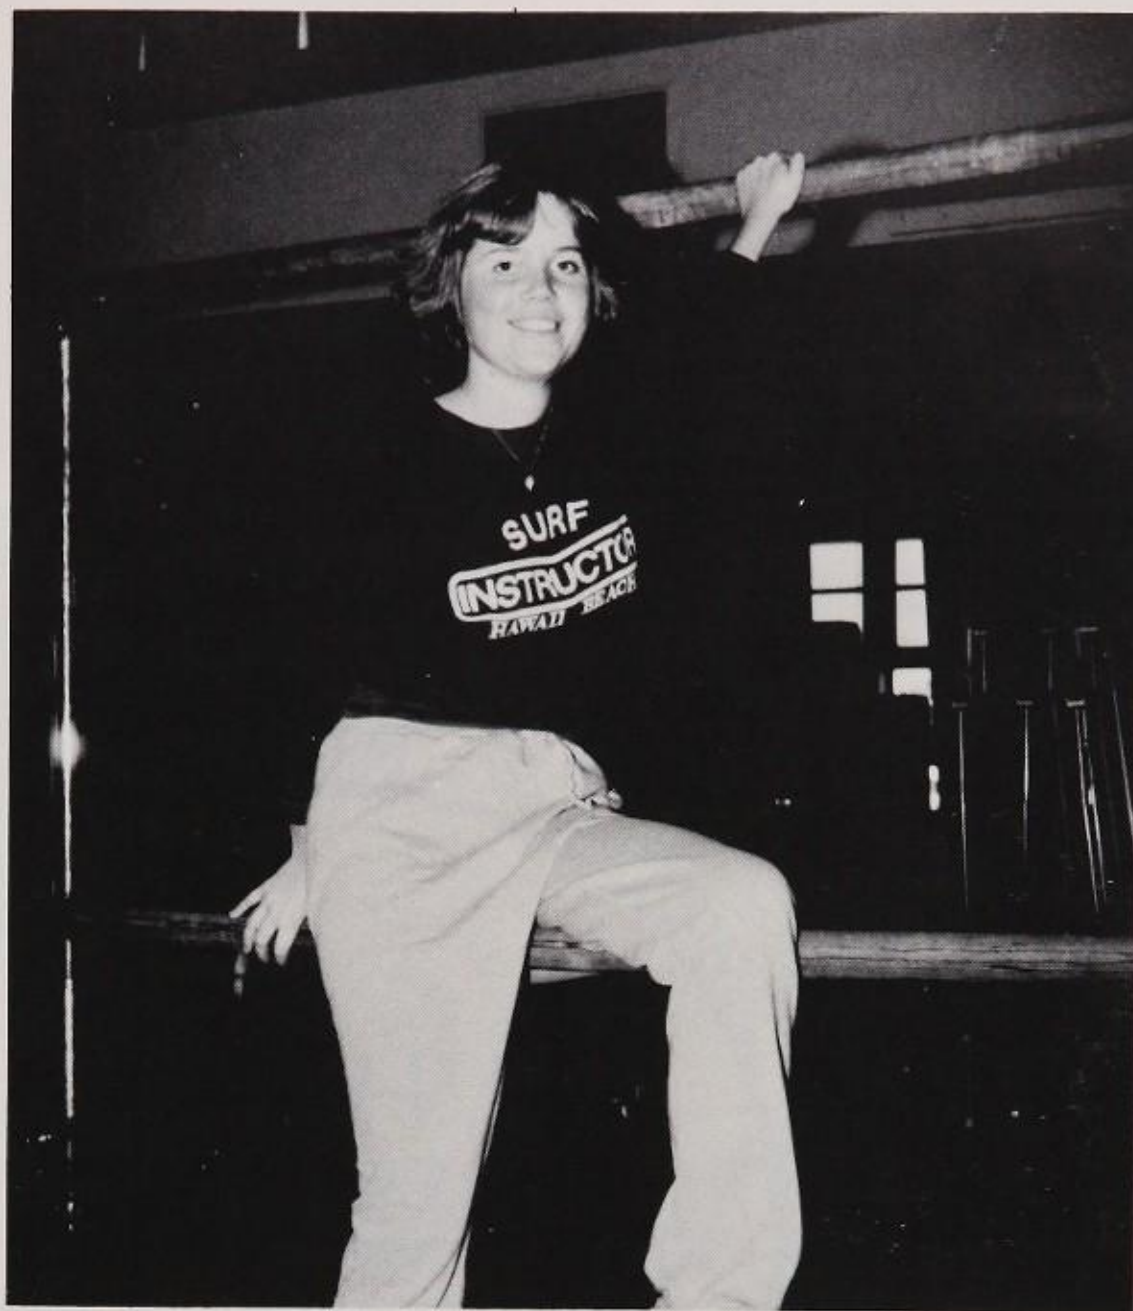

1. "Hauptschule" (5 yrs.-basics)
2. "Realschule" (6 yrs.-business/technical skills)
3. "Gymnasium" (9 yrs.-liberal arts)

After that you can either continue your schooling or look for a job.

Concluding my essay I named a few things that are different from my home land and California. Germany is also known for Hot Potato Pancakes, Potato salad, Beer (Lovenbrau, Beck's, Heineken), the "Octoberfest", and cars such as Volkswagen, Audi, Mercedes, Porsche and BMW.

I am Pia, the other exchange student in Nogales High School this year. The first semester has been great and I am really looking forward to the second semester.

I come from Finland which is one of the Nordic countries in northern Europe. It is located by Norway and Sweden. The population of my country is very low but still Finland is the seventh biggest country in Europe.

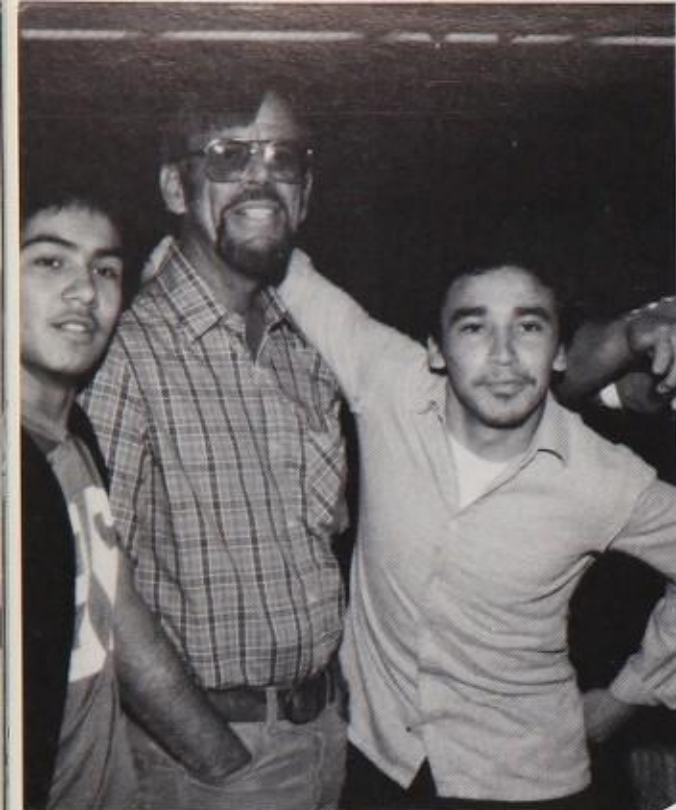

Finland is known for its beautiful landscape. We have over 60,000 great lakes and lots of green forests. The northern part of Finland is called the Lapland. It lies almost entirely above the Arctic Circle and it is really the skiers wonderland. The people, that live in Lapland are called the Lapps. They raise reindeers for a living.

My home country is also known for the modern design and architecture. It is also known for its fair-haired and blue-eyed people. The Finns are very stubborn and strong-minded, though they also like to have a lot of fun.

I live in Helsinki, which is the capital of Finland. It is in the very south of Finland by the Baltic Sea. The winters in Helsinki are dark and cold but the summers are warm and sunny. Helsinki is a city of many parks and old buildings. Young people spend their time in Helsinki by going to the discos and movies. American culture is very spread out in Finland.

American hamburger places and movies are very typical part of Finnish life. People in Finland speak Finnish or Swedish. Which are the two native tongues.

I come from a family of four people. My father is a lieutenant-colonel in the Finnish Army and my mother has a part-time job. My sister Ria is already out of school and she is working. I have enjoyed my stay here in California very much. I am happy about all the nice people I have met here at Nogales and I hope to continue our friendships after I have returned to Finland.

ROPEYE

Notice how everything began to go bad for Barber when he started parting his hair on the left side?"

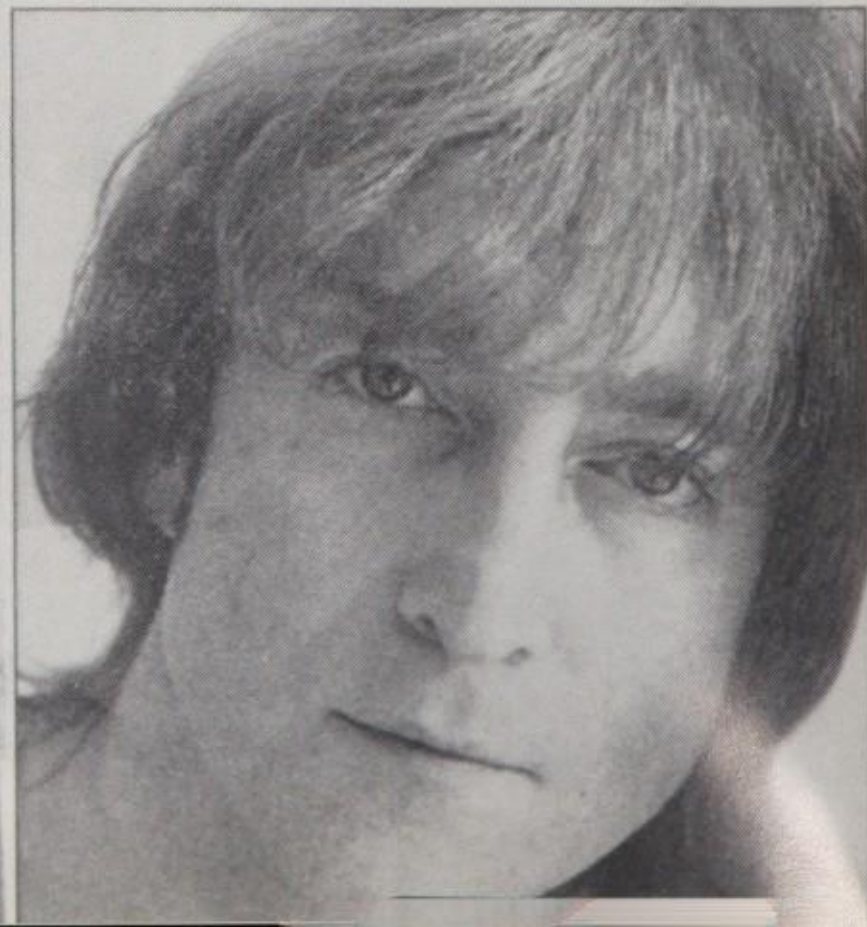

Many memorable events have happened during the 1980-81 school year. Beginning with the election of president Reagan and the return of the 52 brave hostages. Americans have been filled with hopes of a bright future. These memorable events were mared by the death of the famous singers John Lennon and Bill Hailey. Hopefully the year will be filled with many events that will make 81 go down in history.

**SLICE
OF
LIFE**

**U.S. Welcomes 52
of Its Own Today**

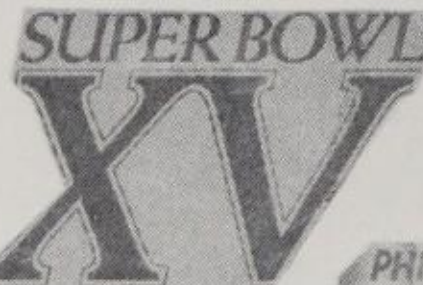

**We have the hostages —
and Iran has a scrap of paper**

A slice of life is shown through the many events of this year. With gas prices zooming and movies blooming the popular memories are numerous. The arrival of Americas 52 ex-hostages from Iran was the main celebration. Also with Reagans inauguration, and the triumph of the Oakland Raiders in the Super Bowl was certainly an eye catching year.
